ALURE

GUILD | BOISELLE COLLECTION

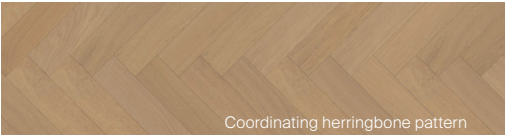

Boiselle captures the essence of natural beauty: fresh, clean, and quietly expressive. Salt suggests purity and preservation, while wood speaks to warmth, texture, and craft. Together, they evoke a sense of clarity and calm, a return to something honest and elemental. This Select Grade collection is marked by soft tonal shifts, subtle textures, and an effortless elegance that feels both modern and timeless. Rooted in heritage craftsmanship yet designed for today, Boiselle offers a refined foundation, one that brings a sense of ease, intention, and inspired living to every space.

Alure features a soft golden wash over a smooth, natural grain. It feels relaxed and refined, like morning light catching the edges of natural wood. Easy to live with and endlessly versatile, its gentle warmth pairs beautifully with neutral palettes, layered textures, and understated elegance.
